

North Norfolk falls into Winter

It may now be time to put the heating on and start wrapping up warm - but don't let that put you off coming to Norfolk and enjoying all this wonderful county has to offer - at any time of the year. A bracing walk on the beach can be just as enjoyable in the Autumn and Winter, protected from the chill with a warm coat and a pair of sturdy boots! We have **increased our cottage numbers** and our booking team and so are well placed to help you find the perfect excuse to forget those balmy evenings and embrace the wildness of a North Norfolk Autumn and Christmas.

Bird Watching

If you are interested in bird watching, then Norfolk has everything you could wish for. The stunning Norfolk coastline boasts many marshland, hides and conservation areas, RSPB bird reserves like **Titchwell** and areas of natural beauty where an array of birdlife either make their home or pass by at certain times of the year. Professional guides organise walks to make full potential for viewing throughout the year - what could be more relaxing and rewarding than watching birds migrating towards the arctic.

New Cottages

We are happy to say we have a number of new cottages available to rent - to add to our already extensive list of 'homes away from home'.

Amongst others we have **Tiffin Cottage** in Itteringham, which has one of the best pubs in the country the Walpole Arms.

Sea Marge in Sheringham with fantastic unrestricted views over the sea and **Bell Lodge** in Horningtoft – offering the flexibility of short breaks all year round and **Tinkers Cottage** in Whissonsett.

Tea Time

We can think of nothing better than a cup of **hot chocolate** and a huge slab of cake on a cold and frosty morning - or afternoon come to think of it.

So after a day of exploring the Norfolk coastline - or as a well earned break from Christmas shopping - why not make the most of the many wonderful cafes and teashops in the area and get stuck in!

We can recommend Back to the Garden in Letheringsett, Byfords and The Owl Tearoom in Holt and Stiffkey Stores.

Winter Shows

What better way of getting in the Christmas Spirit than a pantomime or Christmas Show? Norfolk is world famous for the **Thursford Christmas Spectacular**- the largest show of its kind in England - and if the younger children want something fun to do too – they have **Santa's Magical Journey** there as well. **Cromer Pavilion Theatre** have their Christmas Seaside Special running throughout December and there is a production of Jack and the Beanstalk at the **Theatre Royal in Norwich**. Something fun for everyone...
